JEROME GRANT II
PRIMARY EXAMINER

Reasons for Allowance

1. Applicant's Request for Reconsideration received Dec. 11, 2006 has been considered and is persuasive.

Furthermore, an interview was conducted with Mr. Werner Stermer on January 9, 2007. At this time, we discussed figures 5 and 9. At least these figures were relied upon to discuss the third and fourth limitations of claim 1.

The examiner then agreed that "Six", the reference used in the latest rejection, did not teach the third and fourth limitations as understood by the examiner.

A further search was conducted that did not address these limitations of claims 1 and 21.
